NOTICE OF ANNUAL GENERAL MEETING

The attached "Explanatory Memorandum" should be read in conjunction with this Notice of Meeting.

NOTICE IS HEREBY GIVEN that the Annual General Meeting of shareholders of Empire Resources Limited ACN 092 471 513 ("**the Company**") will be held at the Subiaco Arts Centre, Meeting Room, 180 Hamersley Road, Subiaco, Western Australia on **Tuesday 27 November 2012 at 10 a.m.**, to conduct the following business:

BUSINESS OF THE MEETING

ANNUAL REPORT 2012

To receive and consider the financial report together with the Directors' report (including the remuneration report) and auditor's report for the financial year ended 30 June 2012.

ORDINARY BUSINESS – RESOLUTIONS

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

To consider and, if thought fit to pass, with or without amendment, the following resolution as a non-binding resolution:

"That, for the purposes of Section 250R(2) of the Corporations Act and for all other purposes, the Company adopts the Remuneration Report as set out in the Directors' Report in the Annual Report for the year ended 30 June 2012".

Voting Exclusion: The Company will disregard any votes cast on this Resolution by any of the Key Management Personnel listed in the Remuneration Report and any of their closely related parties. However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote in accordance with a direction on the proxy form to vote as the proxy decides.

The Chairman of the meeting intends to vote all undirected proxies in favour of Resolution 1.

RESOLUTION 2 – TO RE-ELECT MR ADRIAN JESSUP AS A DIRECTOR

To consider, and if thought fit, to pass the following resolution as an ordinary resolution:

"That Mr Adrian Jessup, who retires as a Director in accordance with rule 3.6 of the Company's Constitution and, being eligible, having offered himself for re-election, is hereby re-elected as a Director".

RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% PLACEMENT FACILITY

To consider and, if thought fit, to pass the following resolution as a **special** resolution:

"That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2, for the purpose and on the terms set out in the Explanatory Memorandum accompanying this Notice of Annual General Meeting."

Voting Exclusion: The Company will disregard any votes cast on Resolution 3 by any person who may participate in the issue of Equity Securities under the Additional 10% Placement Facility and any person who might obtain a benefit (except a benefit solely in the capacity of a holder of ordinary securities) if the Resolution is passed, and any person associated with those persons.

However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote in accordance with a direction on the proxy form to vote as the proxy decides.

Important note: The proposed allottees of any Equity Securities under the Additional 10% Placement Capacity are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Capacity), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

RESOLUTION 4 – ISSUE OF SHARES

To consider, and if thought fit, to pass the following resolution as an ordinary resolution:

"That pursuant to and in accordance with Listing Rule 7.1 of the Listing Rules of ASX Limited and for all other purposes, the Company be authorised to allot and issue up to 4,000,000 fully paid ordinary shares in the capital of the Company to Mr Adam Pate or his nominee at an issue price of not less than 80% of the volume weighted average trading price of the Company's Shares on ASX over the 5 trading days prior to the date of issue of the Shares."

Voting Exclusion: The Company will disregard any votes cast on this Resolution by Mr Adam Pate or his nominee and any person associated with him or the nominee.

However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

All Shareholders are invited to attend. An Explanatory Memorandum to Shareholders follows this notice.

By Order of the Board

Simon Storm
Company Secretary

EMPIRE RESOURCES LIMITED EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the annual general meeting of Shareholders to be held on **27 November 2012** (“**the Meeting**”).

This Explanatory Memorandum should be read in conjunction with the accompanying Notice of Meeting.

BUSINESS OF THE MEETING

Annual Report 2012

Section 317 of the Corporations Act requires the Directors to lay before the annual general meeting the financial report, Directors’ report (including the remuneration report) and the auditor’s report for the last financial year that ended before the annual general meeting.

In accordance with section 250S of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions or make statements in relation to these reports but no formal resolution to adopt the reports will be put to Shareholders at the annual general meeting (save for Resolution 1 for the adoption of the remuneration report).

ORDINARY BUSINESS – RESOLUTIONS

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

Pursuant to section 250R(2) of the Corporations Act, the Company is required to put the Remuneration Report to a non-binding vote of Shareholders. The Annual Report contains a Remuneration Report which sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the Managing Director and non-executive Directors. The Annual Report is available on the Company’s website at www.resourceempire.com.au.

The provisions of the Corporations Act dealing with the non-binding vote on the remuneration report have recently been amended. The Corporations Act still provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the directors. However, in addition, the Corporations Act now provides that if the Company’s Remuneration Report resolution receives a “no” vote of 25 per cent or more of votes cast at the Meeting, the Company’s subsequent remuneration report must explain the Board’s proposed action in response or, if the Board does not propose any action, the Board’s reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% “no” vote.

In addition, the Corporations Act now sets out a ‘two strikes’ re-election process. Under the ‘two strikes’ re-election process, if the Company’s remuneration report receives a ‘no’ vote of 25% or more of all votes cast at two consecutive annual general meetings (that is, ‘two strikes’), a resolution (the ‘spill resolution’) must be put to the second annual general meeting, requiring Shareholders to vote on whether the Company must hold another general meeting (known as the ‘spill meeting’) to consider the appointment of all of the Directors who stand for re-appointment (other than the Managing Director). If the spill resolution is approved by a simple majority of 50% or more of the eligible votes cast, the ‘spill meeting’ must be held within 90 days of that second annual general meeting (unless none of the Directors, other than the Managing Director, stand for re-appointment). Further information will be provided on the ‘spill resolution’ and ‘spill meeting’ for any annual general meeting at which the Company may face a ‘second strike’.

The remuneration levels for directors, officer and senior managers are competitively set to attract and retain appropriate directors and key management personnel.

The chairman of the Meeting will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

RESOLUTION 2 – TO RE-ELECT MR ADRIAN JESSUP AS A DIRECTOR

In accordance with rule 3.6 of the Company's Constitution, at each annual general meeting of the Company one third of the Directors for the time being, or if their number is not 3 or a multiple of 3, then the number nearest to but not exceeding 1/3 need to retire from office by rotation, but no Director may retain office for more than 3 years without submitting himself or herself for re-election even though the submission results in more than 1/3 of the Directors retiring from office.

Accordingly, Mr Jessup is required to retire by rotation at the forthcoming annual general meeting, and being eligible, offers himself for re-election as a Director.

All Directors, with the exception of Mr Jessup, recommend Shareholders approve this Resolution concerning his re-appointment.

A biography of Mr Jessup is included in the 2012 Annual Report.

RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% PLACEMENT FACILITY

1.1 Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (*Additional 10% Placement Facility*). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company is an eligible entity as at the time of this Notice of Annual General Meeting and is expected to be an eligible entity as at the time of the Annual General Meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility throughout the 12 months after the Annual General Meeting. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 1.2 (b) of this Notice of Annual General Meeting below).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility as it provides additional flexibility and capacity to the fund raising alternatives that would otherwise normally be available to the Company.

1.2 Regulatory Requirements

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

(a) Minimum Issue Price

Equity securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of Equity Securities, being Shares.

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) Dilution

As at the date of this Notice of Annual General Meeting, the Company has 150,645,921 Shares on issue. Accordingly, if Shareholders approve Resolutions 3 the Company will have the capacity to issue approximately 15.065 million Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

(A x D) – E

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

- a) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- b) plus the number of partly paid shares that became fully paid in the 12 months;
- c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without shareholder approval;
- d) less the number of fully paid shares cancelled in the 12 months.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not participate in the issue. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice of Annual General Meeting.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

(ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		50% decrease in issue price (cents)	Issue price (cents)	50% increase in issue price (cents)
		2.75	5.5	8.3
Current Variable A	Voting Dilution	10%	10%	10%
150,645,921	Number of Shares	15,064,592	15,064,592	15,064,592
	Funds raised (\$)	\$414,276	\$828,553	\$1,242,829
50% increase in current Variable A	Voting Dilution	10%	10%	10%
225,968,882	Number of Shares	22,596,888	22,596,888	22,596,888
	Funds raised (\$)	\$621,414	\$1,242,829	\$1,864,243
100% increase in current Variable A	Voting Dilution	10%	10%	10%
301,291,842	Number of Shares	30,129,184	30,129,184	30,129,184
	Funds raised (\$)	\$828,553	\$1,657,105	\$2,485,658

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
2. No Options (including any Options issued under the Additional 10% Placement Facility) are exercised into Shares before the date of issue of the Equity Securities;
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
5. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
6. The issue of Equity Securities under the Additional 10% Placement Facility consists only of Shares.
7. The issue price is 5.5 cents, being the closing price of the Shares on ASX on 10 October 2012.

(c) Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Annual General Meeting; and
- (ii) the date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), (the Additional 10% Placement Period). The approval will cease to be valid in the event that holders of the Company's shares approve a transaction under rule 11.1.2 or rule 11.2.

The Company will only issue and allot Equity Securities during the Additional 10% Placement Period.

(d) Purpose of Issues

The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued

For personal use only

exploration expenditure on the Company's five copper-gold projects in Western Australia, particularly Yuinmery, and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

(e) Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

(f) Previous issues of Equity Securities under Listing Rule 7.1A

The Company has not previously obtained Shareholder approval under Listing Rule 7.1A and accordingly has not issued any Equity Securities pursuant to Listing Rule 7.1A in the 12 months preceding the date of the Annual General Meeting.

(g) Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Annual General Meeting preceding this Explanatory Memorandum. At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

1.3 Board Recommendation

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommend that Shareholders approve Resolution 3.

RESOLUTION 4 – ISSUE OF SHARES

The Company has resolved to issue up to 4,000,000 Shares at a price of not less than 80% of the volume weighted average trading price of the Company's Shares on ASX in the 5 trading days prior to the date of issue of the Shares.

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12 month period.

For personal use only

One circumstance where an issue is not taken into account in the calculation of this 15% threshold is where the issue has the prior approval of shareholders in general meeting.

The effect of Resolution 4 will be to allow the Directors to issue the Securities pursuant to Resolution 4 during the period of 3 months after the Annual General Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

ASX Listing Rule 7.3

ASX Listing Rule 7.3 requires that the following information be provided to Shareholders:

- a) the maximum number of Securities to be issued under Resolution 4 is 4,000,000 Shares;
- b) the Shares will be issued no later than 3 months after the date of Shareholder approval (or such later date to the extent permitted by any ASX waiver of the ASX Listing Rules) and it is anticipated that allotment will occur on one date;
- c) the Shares will be issued at an issue price of not less than 80% of the volume weighted average trading price of the Company's Shares on ASX over the 5 trading days prior to the date of issue of the Shares;
- d) the allottee of the Shares will be Mr Adam Pate or his nominee , who is not a related party of the Company;
- e) no funds will be raised from the issue, but the shares will be issued in lieu of the provision of financial services to the Company involving assistance provided to the Company with completion of a capital raising; and
- f) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
