ASX Release

## **EMPIRE SECURES EXTENSION OF OPTION AGREEMENT TO ACQUIRE ADDITIONAL KEY WA COPPER-GOLD ACREAGE**

Perth based base metals explorer Empire Resources Limited (ASX:"ERL") is pleased to announce that La Mancha Resources Australia Pty Limited ("La Mancha") has agreed to extend the option agreement to purchase their interest in two granted exploration licences and two granted prospecting licences covering an area of approximately 85 square kilometres for a further period of two months to 7 October 2014. The tenements about the Company's advanced **Yuimmery** copper – gold project in Western Australia.

Empire Resources expects to finalise its position on the joint venture during this period.

The four tenements are the subject of a joint venture between La Mancha and Giralia Resources Limited in which La Mancha has increased its interest since Empire has been involved to approximately 90.09%.
